4TH WORLD CONGRESS ON WOMEN'S MENTAL HEALTH

16-19 MARCH 2011 - MADRID, SPAIN

Co-sponsoring Organizations - as of 19/2/10

European Psychiatric Association

North American Society for Psychosocial Obstetrics and Gynecology (NASPOG)

World Psychiatric Association (WPA)

Building on the success of previous Congresses held in Berlin, Washington and Australia, the Congress will attract 1,000 psychiatrists, psychologists, mental health workers, women's health providers, researchers, policy makers and bureaucrats from across the globe.

The scientific program will explore the psychosocial, economic and cultural contexts of women's mental health as well as the genetic, cellular, neural, hormonal, pharmacologic and other basic science aspects. Clinicians of all disciplines including psychiatry, psychology, obstetrics, gynaecology, family healthcare, social work, nursing and community health will contribute their knowledge on best practices and innovative developments to improve women's mental health across the lifespan.
